40TH ANNIVERSARY

Gourmet du Village started as a dream in 1982, in the home kitchen of the "Tott" family in the village of Morin Heights, Quebec, Canada. Today the dream continues to grow and is recognized as one of the most exciting and creative gourmet food companies around. Gourmet du Village remains "family" owned and operated, acquired by the Reich family in 2018 who brought with them years of experience in the specialty food industry, renewed energy with new investments in quality and efficiency. The Reich and Tott families working together, pride themselves on building great relationships, ensuring core family values along with good service and high quality products, still made with pride in our home "Village" of Morin Heights.

To celebrate our anniversary, we begin by sharing a brief snapshot of our evolution over the years.

1982/83

Our first hand silk screen printed packages filled with Holiday spices including our very first "Mulling Spice".

1986

Ashley, who is now GM, skipped school for the day to be sure she was in the picture for this feature in the *Montreal Gazette*.

1986

Award winner at *The Canadian Specialty Food Show* for the best small booth.

1988

Creating award winning trade show displays such as this at the *CGTA gift show* in Toronto along with winning numerous awards for our products put our focus on marketing and helping our customers to sell our products.

1992/1994

From the earliest days, sharing recipes, making it easy to make "Homemade" has always been very important as shown here on our 1992 10th Anniversary edition of 'Village Recipes' and in our original 1994 Recipe Book.

2002

The cover of the French Quebec edition of our catalogue, celebrating our 20th anniversary in our home province.

2004

Dip Chillers, one of our very first steps into offering accessories to go with our food products. This became our very first 1,000,000 unit seller.

2008

Found in our travels, a simple idea from France to top off a Brie or Camembert cheese round with dried fruits, nuts and berries in a ceramic baker. Still a great seller today.

2013

On July 1st, "Canada Day", in New York, we won our first *Gold Sofi Award* from the *NASFT Association*, the "Oscars" of the Gourmet industry, for our "Parmesan & Artichoke" Baked Dip mix. Still a day to remember...

2018

The Reich family from Chicago bought the company, having been long-time friends of Gourmet du Village, they were the natural fit to work together, to take the company to the next level, investing in the future.

Left to Right: Jeff Reich, Ashley Tott, Mike Tott

2021

Going into our 40th year with a home run hit, our DIY Hot Chocolate Bomb kits proved to be our best new product launch in years, if not in our history!

Like a fine wine, Gourmet du Village continues to get better with age; developing and discovering new products as well fine tuning our old is our passion and obsession which we hope is reflected in this 40th year edition.

“Healthy living and a healthier planet”

For us here in “The Village”, we recognize that sustainability and dietary concerns are at the forefront for consumers, we are working hard to do our part to offer health conscious options and reduce our carbon footprint.

Our lifestyles have changed

The past couple of years have had a profound effect on our way of life, not only have we gone back to making and enjoying more “Homemade” but we have also spent more time reflecting about our health & wellbeing.

For Gluten-Free Or a Low-Carb, Keto Diet

Many of our products are naturally Gluten-Free, having been developed by our Co-Founder Linda Davey-Tott, who herself is a celiac. We have now taken Gluten-Free to the next level, and have identified which of our products fall into this category, to help consumers make conscious decisions that suit their lifestyle and dietary restrictions.

If you are trying to follow a healthier lifestyle, all of our dips and seasonings are low carb/Keto friendly as well as naturally gluten-free.

Our all natural “Herb & Spice” blends which contain virtually no carbs, are an easy way to add a lot of flavor to this food lifestyle. This includes our seasonings, bbq rubs, and dip mixes. Page 8-18

Look for these symbols on our packaging to easily identify the products that meet these health standards.

For Vegans & Vegetarians

Many of our seasonings, dip blends and our cool beverages are 100% animal-free, non-dairy, egg-free, and made with 100% plant-based ingredients making them vegan & vegetarian friendly.

Our dips can be prepared using vegan alternatives such as vegan mayo and silken tofu, as well all of our seasonings and dip mixes make for great seasonings for homemade hummus or on plant-based meat alternatives!

Our Hot Chocolates and bakery products do contain dairy and so are suitable for vegetarians.

Look for these symbols on our packaging to easily identify the products that meet these health standards.

New for this season, we have introduced Turmeric infused Hot Chocolate featuring all the benefits of Turmeric as well as a new Hot Chocolate with Collagen, an antioxidant and popular dietary supplement.

For a Simply Lighter version of our Dips

You can substitute low fat mayonnaise or yogurt instead of sour cream when making any of our dip recipes for a few less calories.

“We are committed to doing our part for the planet”

Sustainable Packaging

We are proud to be continually moving toward more sustainable packaging. Most of our packaging, display boxes, and shipping materials are made from recycled materials, are recyclable and/or compostable.

Cooking with Cast Iron

A Cast Iron Skillet is perfect for preparing a satisfying appetizer, meal, dessert or snack. A delicious Baked Brie with our toppings or a delicious Homemade baked dip using our blends. Serve hot from the oven, barbecue or even the campfire, cast iron makes a perfect serving dish and keeps food hot much longer while being enjoyed.

Savory dishes from "Oven to Table" in a Cast Iron Skillet

Sturdy, durable, a cast iron skillet works with any stove, heats evenly and holds heat well, it's so versatile it can be moved from stovetop to oven, can be used on the grill, even over a campfire then brought to the table as a serving dish (with a heat pad to protect hands and table of course).

Baked Brie in a Skillet

Our complete kit contains a 16cm (6.3") diameter cast iron skillet filled with our tastiest baked brie toppings. Take a small 8oz (225g) round Brie or Camembert Cheese, score the top with a knife, place it in the skillet, top off the cheese with the easy to prepare toppings, bake in 350°F (180°C) oven for 15-20 minutes, serve hot from the skillet.

CARE INSTRUCTIONS: Hand wash with mild soap to preserve the natural non-stick properties in order to enjoy the skillet for years to come. Our skillets are pre-seasoned, but as with all cast iron, they should be washed, dried and then re-oiled ready for the next use. This will reduce the chances of rusting as well. Very important also to never use a metal knife or utensil in the cast iron skillet, to avoid damaging the natural non-stick finish of the seasoned skillet.

Tasty Desserts baked and served in a Skillet

Cast Iron Skillets are ideal to make desserts, like our ooey gooey skillet brownie. Cast Iron desserts offer a crunchy exterior with a warm soft center. The perfect way to serve from oven to table, just take a spoon and dig right in. Adding a scoop of ice cream is a truly decadent way to top off these treats.

Classic tastes with a classic new look

Our original "Classic" blends with a new look for our anniversary.

Double Truffle was our first and signature Hot Chocolate blend loved by our customers from the very beginning; a rich, smooth, creamy taste, add a little mint flavor and we created Peppermint. Our White was a completely new blend, vanilla flavor with accents of coconut, smooth and creamy. Mix with hot water, they all taste extra creamy with hot milk.
